COLLECT YOUR SIGNATURES OR TYPED NAME LIST

For Signature designs, download the Signature Pages from our website, print them out, and have everyone sign! Each Signature Page has specific directions to help you get best results. If your design is incorporating Typed Names rather than Signatures, please email proofread names as an attachment in Word or Excel format (DOC/DOCX or XLS/XLSX) to schools@special-tees.com. The list should contain the names exactly as you want them to appear. Consider "First Name Last Name" or "First Name" only.

COLLECT YOUR SIZES AND QUANTITIES

We recommend Youth Medium up to Adult 4X. If you need smaller or larger sizes, we do have options available.

SUBMIT YOUR ORDER

We have updated our [Online Order Form](#) making the order submission a breeze. It does not require you to do the math for the discounts. We will build your order, calculate your discounts, and send your confirmation via email within 1-business day. For those of you who prefer completing the physical form with pen or pencil, we have it included here for your convenience. Send your scanned signature sheets when you submit your order Online or send via email rather than snail mail. Refer to the directions on the signature pages for best signature results. Typed Names lists should be emailed to schools@special-tees.com. When sending orders through the mail we strongly recommend sending via Certified Mail or some other trackable method to ensure timely delivery and safeguard your desired in-hands date.

**Special Tees Class Designs Order Packet****1-844-400-TEES****SUBMIT YOUR PAYMENT**

Submitting payment information with your order helps us streamline your order's progress. The **Full Payment Discount** requires the physical check or credit card information to be submitted and processed prior to printing your order. **Purchase orders or Request to Bill the School** should be included with the order form or shortly after we have supplied you with an invoice. If you need an invoice to generate either of these, please request one when you submit your order. Requests to bill the school should be on official school letterhead and signed by the principal. Need updated vendor information? Let us know if you need a W-9. If someone other than you is responsible for issuing payment, please include their contact phone number and email when you submit your order. Production will not start on your order until we have received payment, a purchase order, or an official request to bill the school.

CONTACTS AND COMMUNICATION

Most of our contact is through email, but many school systems block external emails and/or reroute emails that have attachments. We want to make sure you get your order and proof for review, so any secondary email or phone numbers help us stay connected in the event we have questions. Being able to reach you helps us keep your order on track.

DUE DATES AND TURN-AROUND

Tell us the date you need your items in-hand. Once approved, orders have a turn-around time of approximately 7-10 business days plus shipping time from Maryland. Turn-around time during peak season (March through June) may require a couple extra business days. After your order has been received, a confirmation will be emailed within 1 business day. It is very important to review, sign, and return (via fax or email) as soon as possible. A proof will be emailed within 1-3 business days. Keep an eye out for your proof. Please reply to the emailed proof with revisions or your approval as soon as possible. Once we have both approvals and your payment information, we can then begin the production process on your order!

NEED A CUSTOM PRE-PROOF

If you know you are planning to place your order in the next few weeks and need a visual aid to help generate excitement and boost your quantities, please give us a call! We will be happy to create a custom Pre-Proof for you to show off to everyone! Modifications, adjustments, and the addition of your names will be made to the Final Proof after you have submitted your sizes, quantities, and names. Please allow a few business days for custom pre-proofs.

GET TO THE NEXT PRICE BREAK! ORDER EXTRA! COMBINE STYLES!

The comment we hear most is, "I wish I had ordered more!" We strongly recommend ordering a few extra to cover for anyone who may want a shirt after the fact! All reorders require a minimum of 12. Each separate order is for the pricing of the new order's quantity. Ordering a few extra with your initial order could get you to the next price break, save you money, and help include students or staff who may have missed out on the order process. **Combine different styles to get the best price break! When ordering more than one style, simply submit a separate Page 2 of the Order Form for each style and we will calculate the best pricing for you!** Please note: The design must stay the same size on all the items in order to combine for best pricing. Signature designs are only recommended for the back of hoodies due to the pocket or zipper on the front.

YOU ARE READY TO GET STARTED!

On the next couple pages you will find our discounts, styles, pricing chart, and order forms. If you have any questions along the way, please call us any time Monday-Friday 9:30am-5:30pm EST. Check out our **School Catalog Information Page** for additional fun information and recommendations.
